Introduction

Lanzfeld Editions creates gifts that support your shop sales. Products that keep memories alive. Bookshops, museum shops, gift shops and souvenir shops have all discovered the products of Lanzfeld Editions. In this catalogue we proudly present the latest KlickMark Magnetic Bookmark collection. Check out our web shop www.museum-webshop.com for our complete and most up-to-date range of gifts and souvenirs.

Magnetic Bookmark Collection

The KlickMark magnetic bookmark is a unique invention: just clamp it on the page in your book and it won't fall out. Popular, practical and durable with a stylish design. In this catalogue we present our entire collection of over 200 designs, including 70 brand new ones. We'd like to thank our clients who contributed their suggestions for new designs. Your input will be more than welcome too!

Displays

The best way to sell magnetic bookmarks is to use a transparent counter display near the till. These displays are available with 6 or 12 pockets (standard). Our design studio offers a customised display and head card design service. Please contact us for more details.

Customized Magnetic Bookmarks

Make your own! Customised magnetic bookmarks are available at low order quantities and with design support from our design studio. Check out our website: www.klickmark.com for more information on customisation.

Order Online

All magnetic bookmarks shown in this catalogue can be ordered directly from our webshop: www.museum-webshop.com. Check out our webshop for many more products that might be of interest for your shop. Take your time and explore our complete product collection, ranging from magnets, pens and pencils to glassware and serving trays.
